I cannot think
My mind is dark,
No one to talk to
No one to listen.
I could cry
But no one cares,
I could call
But no one's home.
Where can I go
I am so lost,
Emotionally distressed
I try to cope.
Too scared to live
Too strong to die,
I am fading

Life is gone.

But then you come

And give me hope,

You ease my pain

I can breathe again.

Now I am happy

I see why I live,

No one is here

No one but you.
