## When You Wake

*Chapter 1 of 1*

Remus's final farewell to his son, Teddy, before leaving with his wife to fight the Final Battle. Inspired by The Remus Lupins's "Lullaby."

"Come on, Remus, Minerva summoned us half an hour ago--" Tonks calls, walking into her son's bedroom. She stops when she sees the look on her husband's face as he gazes at their sleeping son.

"Goodbye, my perfect son," Remus whispers so only he and Teddy can hear. He reaches down and brushes a wisp of fine hair from the baby's forehead.

Tonks smiles, looking down at her son as well. Remus casts one last glance down at him, whispering, "I love you. I'll be here when you wake up, I swear."

And with that, he takes his wife's hand and Disapparates.
