## The Cock Wash

*Chapter 1 of 1*

Ron does not like Harry's favorite porno.

"I am sorry, but this is a lousy porno."

Harry glared at his lover. "You don't like it?"

Ron put his feet up on the coffee table. "Could you tell?"

He pouted. "This is one of my favorites. I would watch it when the Dursleys weren't home."

"How the hell did you get a porno with naked men washing a car at their house?"

Harry smirked. "Oddly enough, it was my uncle's." Ron looked confused. "I could hear him watching it in the living room at night."

Ron's jaw dropped, and his lover took the opportunity to kiss him passionately.
