Nightmare

Chapter 1 of 1

This is what should have been added at the end of Deathly Hallows. IMHO

Summary: This is what should have been at the end of Deathly Hallows.

Disclaimer: All Harry Potter characters are owned by JKR and there will be no money made by me.

A/N: This is my first and probably only attempt at writing. This is my take on how the end of Deathly Hallows should have been. If you like it, you could always print it out and tape it to the back of your copy.

Thanks go to ladyinthecloak and AnnieTalbot for giving this an once over and fixing all my mistakes. Any other mistakes are all mine.

Nightmare

"Ron, for heaven's sake," said Hermione, half stern, half amused. "Don't try to turn them against each other before they've even started school!"

"You're right, sorry," said Ron.

~~~~~  
"Noooooo!" Hermione screams as she sits straight up in bed. Tears fall as she puts her hands over her face, shaking her head. "It can't be! No, not him. Please, not him!" She cries uncontrollably.

Her companion, lying next to her, sits up. Pulling her to him, he wraps his strong arms around her, trying to soothe her.

He whispers, "It's okay. It's only a dream. Why don't you tell me about it?"

Hermione wraps her arms tightly around her bedmate's neck, trembling as he holds her.

"Oh, Severus, it was horrible."
