Chapter 1 of 1

This was written for ladyinthecloak because she needed some cheering up. It's written to the tune of Beauty and the Beast. And yes, I was on medication when I wrote it. It still cracks me up.

*Tale as new as babes
Strange as it may be.
He had her once in class
now he wants her ass
unexpectedly.
Just a little groan
and some hair to muss
He answers with his own
Followed by a moan
Hermione and Severus.
Ever just a gasp
Ever coital bliss
Ever as that day
Never gone astray
Towels: hers and his.*

Tale as new as babes

Love as sweet as song

Isn't it so neat

Finding lips so sweet

Even if it's wrong.

Certain as a potion

boiling on a flame

She will soon collapse

And her voice will rasp

calling out his name.

Tale as new as babes

Love as sweet as song

Hermione and Severus
