Even after a hard first year, the encouragement of new friends can make life changes bearable. Pomona takes a walk, talking about her day with her new friend Minerva. That's a Snargaluff in Pomona's arms!

Making Friends - First Year At Hogwarts

Chapter 1 of 1

Even after a hard first year, the encouragement of new friends can make life changes bearable. Pomona takes a walk, talking about her day with her new friend Minerva. That's a Snargaluff in Pomona's arms!

Prompt: 30. Minerva McGonagall was in her early thirties when she first joined the Hogwarts staff; what was she doing between her NEWTs and the time she joined the staff? *(I only used the first half of this prompt)*

31. When she first joins the Hogwarts staff, Pomona Sprout loves Herbology, but dislikes teaching. How does she come to enjoy her job and decide to stay at Hogwarts? - *She finds she has a friend! Pomona takes a walk, talking about her day with her new friend Minerva. Yep, that's her new Snargaluff stump in Pomona's arms!*
