## True Grit

*Chapter 1 of 1*

Severus and Lucius go on a scavenger hunt.

"She said it would be here," Lucius griped.

"She said many things." Severus walked along the path, eyeing the foliage.

"Like the absurd suggestion to try grits." Lucius shuddered.

Severus whirled on his friend. "Damn her!"

Lucius cocked one eyebrow. "Please tell me we're leaving Georgia."

"No. We are going to Altamaha Grit to find the blasted plant."

"And then?"

"I will make the potion and pour it down her throat until she chokes."

"Really, Severus, that's no way to treat a pregnant woman."

"You might have thought of that before taking her to bed," Severus growled.

"Why? You didn't."
