A short poem I wrote during CP English (very boring).

## Fickle Fate and Damn Destiny

*Chapter 1 of 1*

A short poem I wrote during CP English (very boring).

Fickle Fate  
and Damn Destiny  
Had conspired  
With that Lying Love  
To break my heart  
Time and time again.  
They kept changing me  
Into something I didn't want to be  
Something so unreal  
Devoid of emotion  
Cold and uncaring.  
Now that I've met you  
I'm beginning to heal  
Yet I hear them still  
Conspiring so that  
Once again  
I'll be something unreal

Devoid of emotion

Cold and uncaring

Everything I was

Before I met you.
