A short poem I wrote during CP English (very boring).

Fickle Fate and Damn Destiny

Chapter 1 of 1

A short poem I wrote during CP English (very boring).

Fickle Fate
and Damn Destiny
Had conspired
With that Lying Love
To break my heart
Time and time again.
They kept changing me
Into something I didn't want to be
Something so unreal
Devoid of emotion
Cold and uncaring.
Now that I've met you
I'm beginning to heal
Yet I hear them still
Conspiring so that
Once again
I'll be something unreal

Devoid of emotion

Cold and uncaring

Everything I was

Before I met you.
