My Tears Have Fallen

Chapter 1 of 1

A poem that I wrote while under the influence of really sappy movies.

My tears have fallen
I'm empty inside
There is no emotion
And the pain is gone
I'm waiting 'til it's safe
For me to love again
I won't be hurt
I'd rather die
I told you I wouldn't cry
Because of a promise
You had made
I don't care if you believe me
But I'm telling you it's true
I won't let myself love you
Until I'm sure
That my love will be returned
It's the way I live

And it works so well

My tears have fallen

I'm empty inside

There is no emotion

And the pain is gone
