## My Friends

*Chapter 1 of 1*

something i wrote for my friend

Our friendship is like a shooting star  
Rare and lucky one that will go far.  
No matter how far apart we may be  
We'll always have this bond that only we can see.  
Even though we may fight  
Our love will see us right.  
In my heart forever you will be  
Always together you and me.
