## Fire Or Ice

*Chapter 1 of 1*

Another poem.About fire and ice and which one I am.I might add another poem to this one.

Fire or Ice,  
Which am I?  
Sometime I see the similarities  
Between me and beautiful Fire.  
Because as I look into the flame,  
I can see its beauty,  
I can feel its pain.  
This Fire holds my heart  
But then I start to wonder,  
Am I truly Fire?  
Glittering Ice catches my eye,  
And I see its beauty, also mixed with pain.  
Ice filled with beauty  
And harsh reality.  
Cold and hard,  
Filled with pain.  
This Ice captures my soul.

Am I both,

Fire trapped in Ice?

Or am I neither,

Something so different?

Fire holds my heart.

Ice captures my soul.

Both try to control me

But I'll fight.

I want to be free

To chose

Which I want to hold,

Which can control my soul.

But which?

I can't decide.

Am I Fire?

Or am I Ice
