

# Good?

*by WriterMerrin*

Her opinion was the only one that mattered.

## Good?

*Chapter 1 of 1*

Her opinion was the only one that mattered.

In his youth, he'd striven to be a great wizard.

His interest wasn't in being a good son, a good man.

It was almost too much to hope he wouldn't be remembered solely as a murderer.

Could he do this? Could he be a husband, a good one? Could he hope to be a good parent some day?

Hermione surely would be. His new wife rested in his arms, her expression that of a thoroughly loved woman. He did love her.

"Severus, that was very good." She snuggled closer with a sigh.

Her opinion was the only one that mattered.
