## I Wish

*Chapter 1 of 1*

Thoughts while looking at the people around me.

I wish I knew what love was  
To be able to feel it just like you.  
I want someone to love me and I want to love them too.  
Having nothing on your mind but them  
Feeling incomplete without them in your embrace  
Just thinking about them brings a smile to your face.  
Willing to take the risk to go that extra mile  
No matter what life throws at you, that person is worthwhile.
