This is my guilty pleasure. It is exactly what I needed after a long day of work. I swear sometimes those kids drive me completely insane, but I do care for them, no matter what anyone says. I breathe in the light floral scent of Gardenia and it makes me feel lighter. I sink down in the large marble tub, simply absorbing the hot water and the sweet smelling bubbles that surround me. Thank god it's the weekend. I can sit back and spend my time with...

"Severus Snape, what in the world are you doing in my bubble bath?"
