The sounds of soft moans and a deep growl echoed off the dingy grey walls. Even though the dungeon was cold, she felt as if she was on fire; his calloused fingers caused goose bumps to cover her deeply blushed skin. She gasped as the silk negligee began to rip slowly as he softly whispered an incantation onto her skin. Her hips bucked as the silken material fell away, exposing her body to his hungry eyes and soft, wet mouth. Both were so caught up in the height of passion they didn't notice the remnants of her lingerie flutter to the floor and disappear.
