## You are

*Chapter 1 of 1*

just a bit of random ramblings

whether there is sorrow or happiness  
you are my life  
my life is like an autumn day  
my spring are you  
in the days of strife  
you are my haven of peace and tranquility  
sorrow or happiness,  
you are my life  
you are the light in my night of darkness  
you are my dream and my sleep of peace  
in all my life  
you are the one I need to be complete  
i am not the same anymore  
but you are the same  
my life are you
