

You Are

Just a poem to tell you that I love you, and you love me.

Mine

Chapter 1 of 1

Just a poem to tell you that I love you, and you love me.

the valleys are my embrace
the paths are my arms
where will you go
away from me?
every time you sit there missing someone
the shake of a bough
the scent of a flower
the whisper of the wind
will remind you of me
the valleys are my embrace
the paths my arms
from the moment I saw you
and fell in love with you
my eyes have become the sun and the moon
no matter where you are in this world
or all the worlds
in all the universes

I will always see you
the valleys are my embrace
the paths my arms
go where ever you want
where will you go
away from me?
