## Mine

Chapter 1 of 1

Just a poem to tell you that I love you, and you love me.

the valleys are my embrace

the paths are my arms

where will you go

away from me?

every time you sit there missing someone

the shake of a bough

the scent of a flower

the whisper of the wind

will remind you of me

the valleys are my embrace

the paths my arms

from the moment I saw you

and fell in love with you

my eyes have become the sun and the moon

no matter where you are in this world

or all the worlds

in all the universes

I will always see you the valleys are my embrace the paths my arms go where ever you want where will you go away from me?
