Chapter 1 of 1

He'll do anything for Harry.

Ron felt embarrassed. Here he was, a man of twenty-three years, dressed as a vampire, going door-to-door in Muggle London, asking for sweets.

He was only doing this for Harry, who had complained for years that he never got to go trick-or-treating.

Harry, of course, looked absolutely stunning dressed as an angel, even if his wings were on lopsided. Looking at Harry, so joyful, made Ron hunger for him, to push him against a wall and bite his neck as though he really was a vampire tonight.

It was silly, but it was all worth it to see him smile.
