## First Meeting

*Chapter 1 of 3*

Draco and Harry in the bathroom. Doing one thing to break the uncomfortable silence... conversation. Dialogue skit.

"..."

"..."

"Inadequate equipment, Potter?"

"I've gotten no complaints."

"I doubt that somehow."

"How about you and Pansy. She's got some complaints."

"Pansy is a lesbian, I'll have you know."

"Big surprise there."

"So about getting no complaints... Who would know?"

"Well, no complaints from Slytherin at least."

"Just who in Slytherin?"

"Wouldn't you like to know?"

"Is why I asked, Potter."

"A friend of yours."

"Crabbe and Goyle!"

"I said friend, not goon. You seriously think I would..."

"..."

“Gross.”

“Are you saying you... Blaise. You actually went after the Slytherin man whore.”

“Yes.”

“Well, Potter bats for the other team, who would have known.”

“From what Blaise has told me, you bat for both.”

“You and Blaise talked about me during sex...”

“He did, I was quite surprised.”

“So... How's it going with Granger?”

“She prefers older men.”

“I always thought her and Weasley were an item.”

“For the love of Merlin, Malfoy. All three of us are like siblings.”

“So who does Granger date?”

“Snape.”

“...”

“Yeah...”

“Please tell me you're joking?”

“...”

“Well. Nice talking to you. See you later then.”

## Second Meeting

*Chapter 2 of 3*

Draco and Harry continue their previous conversation discussing other couples within Hogwarts's walls.

“Potter.”

“Malfoy.”

“Well, seems we're making meeting here a habit. Want to continue from last time?”

“Who does Pansy date?”

“The Weasley girl, last I checked.”

“Thought Ginny and Neville were going out.”

“From what Pansy has told me, Longbottom and Weasley are an item.”

“I never thought Ron was gay.”

“Appearances are deceiving, Potter.”

“So it would seem.”

“Who are you dating, Potter?”

“No one.”

“Too little for everyone, Potter?”

“Quite the opposite.”

“...”

“Keep your eyes to your side of the wall if you would.”

“Never would have thought you could back up that ego of yours.”

“...”

“Never would have thought you couldn't.”

“I'm eight inches of man, I'll have you know.”

"I'm ten, trade you?"

"The bloody hell, Potter, do you wrap it around a leg?"

"No, but wearing boxers is hell."

"I'd like to see that."

"Lets make it a date."

"Did you just ask me out, Potter?"

"Harry."

"What?"

"Call me Harry, and I'll call you Draco."

"It's a date then."

"This weekend, meet me at the Three Broomsticks?"

"It's a date, P-Harry."

## Third Meeting

*Chapter 3 of 3*

The third meeting in the conversations series. A short, but sweet ending.

"You want my booty! My sexy booty!"

"Harry, are you pissed, luv?"

"I'm purrrfectly happy thank you."

"Harry I meant drunk."

"I'm not drunk. I'm a little tipsy."

"What is it with lions and after game parties..."

"Look, I can write outside the window in the snow."

"Harry. We're thirty feet above the ground and you are taking a piss on Hagrid."

"It's a Wookiee!"

"What's a woo-kie?"

"A giant fuzzy man thing. That makes the baaaaaaru sound."

"I think I have a case of the giggles now."

"I have a good reason to be drunk you know."

"Why are you drunk?"

"I walked in on Dumbledore and McGonagall shagging."

"I believe, I just lost all plans for eating dinner."

"Harry, are you alright?"

"I just lost dinner."

"I noticed. Let's get you to bed."

"Yours or mine?"

"Did you just giggle like a schoolgirl?"

"Noooo."

"Common zip it up. Let's get you to bed."

"Yours or mine?"

"Mine. Always mine."
