EVER!

Chapter 1 of 1

A Hufflepuff makes a serious mistake!

'Hurry up, Pete. All the sausages will be gone otherwise.'

'I'm not coming.' Pete's voice sounded muffled.

'What do you mean, you're not coming? Breakfast is the most important meal of the day for a first-year.'

'I'm staying in bed.'

'Is your cold getting worse?'

Pete nodded and then hid under his blanket again. He would never again leave the Hufflepuff dormitory. Not after what he had done in Potions the day before.

When Pete's fellow Hufflepuffs passed by the gigantic hourglass in the Entrance hall, they froze. There was not a single yellow stone left. Not one. What the ...?

A loud sneeze made them spin around. Snape was paler than usual, and the scowl on his face had reached a new depth of black. The only thing out of order was his runny nose.

That was when the Hufflepuffs understood. Pete had sneezed on the Potions master, and their whole House was going to suffer for it.

This is for all the teachers who have returned to school just to catch a cold from ickle firsties. Like I did :(
