

Mosaic of You

Written shortly after my boy-friend and I split up.

Mosaic of You

Chapter 1 of 1

Written shortly after my boy-friend and I split up.

Mosaic of You

Mosaic fragments of memory

And silver of thought

Illuminate

Against a backdrop of white.

Breathing of life, becoming

Brilliant sparks of colour glass

Bursting

Through the mundane numbness.

Every swirl a tendril of magic

A flurry of anticipation

Overwhelming

Within the depth of imagination...

When I think of You.
