Haikus

Chapter 1 of 1

Read them and tell me which is your fave and what you see in them. I would LOVE to hear!

Gently raindrop soft--
Pearl grey mists shroud a garden
In mystic night dreams.
Brave little fighter
Flying through my mind protects
Small dragon dreams .
Ink skin. Silver hair.
Who dances death with such grace?
Dark fatal beauty.
Crystal, downy white.
Transforming, magical, bright--
Winter brought snowflakes.
Red, golden, leaves turn
Autumn's Wind bringing death's sleep
Before Spring's Promise.
