Haikus

Chapter 1 of 1

Read them and tell me which is your fave and what you see in them. I would LOVE to hear!

Gently raindrop soft--

Pearl grey mists shroud a garden

In mystic night dreams.

Brave little fighter

Flying through my mind protects

Small dragon dreams .

Ink skin. Silver hair.

Who dances death with such grace?

Dark fatal beauty.

Crystal, downy white.

Transforming, magical, bright--

Winter brought snowflakes.

Red, golden, leaves turn

Autumn's Wind bringing death's sleep

Before Spring's Promise.
