

# Tribute to the Potions Master

*by FlyingMermaid*

To the tune of 'Jingle Bells'. Inspired by and dedicated to LOTM for her wicked, wicked ways! ;)

\*AN\*I would like to apologize in advance for this travesty but I just couldn't help myself after reading LOTM's 'Carol of the Dark Lord'. I laughed until I peed my, I mean until I cried.

Author's Note: I receive nothing as compensation for this story except any kudos fellow readers and authors might take pity on me and give. I don't own the characters or the Potterverse; I only wish I did.

**To the tune of 'Jingle Bells', I give you Severus's Fifth in D minor.**

*Potions smell, cauldrons belch*

*Severus scowls away;*

*Oh what fun*

*It is to run*

*From the dungeon every day*

**HEY!**

*Dashing through the halls*

*Faster all the way*

*Past the sinking step*

*Scurrying all the way*

*Greasy Git's robes sway*

*Making students fright,*

*What is the password once again,*

*To the Fat Lady tonight!?!*

**HURRY, NEVILLE!**

*A day or two ago,*

*Harry took a dare*

*Soon Goyle's cauldron*

*Exploded in a flair!*

*Snape was lean and mean;*

*Misfortune seemed his lot*

*That idiot Gryffindor*

*Had never gotten caught!*

**I'M COMING TO GET YOU, POTTER!**

*Oh, the Potions bell, the Potions bell*

*It's time to head back down,*

*Into the dungeons once again*

*The Gryffindor's all frown*

*Potions bell, Potions bell*

*The Slytherin's all cheer,*

*The scowling Snape*

*That makes most gape*

*Is not someone they fear.*

**DETENTION, POTTER!**

*For what??*

**For breathing. Do I make myself clear?**

*Gulp. Yes.*

**Yes, SIR!**

*You don't have to call me sir, Professor.*

**Detention. For the rest of term. Now, GET. OUT!**

*Ahhh, DAMMIT!*
