Rainy days were made for lovers

The game had been cancelled because the rain was coming down in sheets.

It was decided that the Quidditch match could be scheduled on a more amenable day.

Viktor and Hermione were lounging in bed late that day. They had woken only when the Patronus from the coach had appeared to deliver the news of the postponing of the game.

Neither one wanted to get up when they had such a wonderful time in bed.

At last, they realised that breakfast was much to be desired and ordered room service.

Viktor devised a unique use for Orange Marmalade to Hermione's delight.

HermioneDiggory's prompt was: VK/HG, a rainy day, orange marmalade.
