## (Feelin' Snarky)

*Chapter 1 of 1*

A filk for our favourite Potions master; credit to Paul Simon (Fifty Ninth Street Bridge Song).

Get lost, you make me ill  
Your cheeriness is fucking shrill  
Just leave me alone, in my stew  
Lookin' for calm and  
Feelin' snarky  
Goodbye Albus  
Sherbert lemons  
I've come to tender my resignation  
Don't care bout Potter anyway  
*Sectumsemptra!*  
Feelin' snarky  
Want no deeds to do  
No promises to keep  
I'm cranky and tired and in way too deep  
Let Death Eaters rain Crucios over me

Life, I loathe you

All is snarky
