Vampire's Tale

Chapter 1 of 1

Somehow I find Vampires sexy, I can't help it.

Crawling through the night
Starlight turns to flight
Hide with all my might
Daylight is my fright.
Drinking blood is my pleasure
The dark is my treasure
But dawn is my pressure,
So I carefully measure.
In shadows I dwell
But only you can tell,
I disappeared, I fell
Darkness is my shell.
No more light for me
Of brightness I'm free
A night-creature I be;
Why don't you join me?
Love it and live it!

Dump it or take it!

Do it or fall in a pit!

I don't regret it a bit.

Am I your nightmare?

Should I care?

Do you feel me there?

Look in my eyes, do you dare?

My eyes are lifeless,

I avoid brightness.

Your blood is priceless,

I live for the darkness.
