

# I am coming

*by DraculaRulez*

How did you suddenly change from my friend's brother to the one I love?

## Can You Believe it?

*Chapter 1 of 1*

How did you suddenly change from my friend's brother to the one I love?

Can you believe it?

I'm your sister's friend

Yet I love you,

I can't handle you,

I miss you,

When can I see you again?

When will I pluck up the courage to ask you out?

Oh, Matthew, I need you.

Please help me,

I really don't know how this all started,

How did you become *Matthew*?

And not stay my friend's brother?

Come to me,

Or I will, to you,

I love you and always will.

*I am coming, Matthew*
