No Time

Chapter 1 of 1

A drabble for grangersnape100 on LJ for the No Time challenge.

"What? Today?" Severus Snape looked at his wife in something akin to horror. "It can't be today, I have no time for this."

Hermione Snape put hands to hips and stared her husband down. "You better make time or find somewhere else to sleep!"

Severus blanched and tried to reason with his irate wife. "I absolutely have no time for this today. I am in the middle of brewing, I have to prepare for classes..."

Hermione snorted as Severus' babbling trailed off. "Oh, no you don't. You promised your daughter a Tea Fairy Party. Don't forget your wings and crown!"
