Weight Loss: Hogwarts Style

Chapter 1 of 1

A conversation during a typical weekly weight loss meeting at Hogwarts.

Disclaimer: All characters belong to JKR, and I make no financial gains from this mishmash.

A/N: This story was intentionally written as a conversation. And, yes, I belong to a weight loss group that starts with a "T" and ends with an "S". Of course, our meetings are a little more sedate, as none of us have wands (but I still think the scales lie). ^_~ Thanks to SW69 for the beta. Sorry it took so long to post this, Sunshine.

"Why that lying piece of..."

"*Expelliarmus!* Really, Molly!"

"Molly, it's an inanimate object. Scales can't lie."

"People, on the other hand..."

"Speaking of yourself again, Narcissa?"

"Why, you..."

"Ladies! This meeting of the Hogwarts Chapter of WWW will come to order now. Pomona, call the roll please."

"Minerva?"

"Phoenix."

"Molly?"

"Troll."

"Andromeda?"

"Phoenix."

"Narcissa?"

"Squid."

"Rolanda?"

"Squid."

"Sybill?"

"I foresee great hardships..."

"Just answer the question, Sybill."

"Oh, very well. Troll."

"Hermione?"

"Phoenix."

"And I am a Phoenix."

"Good. Now, is there any new business... Yes, Molly?"

"I move we adjourn."

"We can't adjourn yet. We haven't had our meeting."

"Then I move we finish this so I can get something to eat."

"Hear, hear."

"You two always think with your stomachs."

"Take that back!"

"*Expelliarmus!* If you keep threatening each other with your wands, they will be confiscated before you even step into this room. Now, is there any new business? No? Any old business? No? Anything at all? Hermione?"

"Hmmm?"

"Really, dear, I know you're a newlywed, but we are trying to conduct a meeting here. Please pay attention to the matter at hand. Severus will be there when we're finished."

"Sorry, Minerva."

"Who has the program this week? Rolanda?"

"Exercise, exercise, exercise. Now let's eat."

"That's it?"

"You didn't say how long it had to be."

"Very well. Meeting adjourned. Last one to the Three Broomsticks buys."

A/N: WWW = Weight Watching Witches

A "phoenix" signifies a weight loss.

A "squid" says the witch did not gain or lose weight.

A "troll" signifies a gain.
