

Turning the Tables

by kittylefish

After months of winning every bet with Lucius, Severus finally loses one. What are the consequences? This story is a sequel to my story *Losing the Bet* and might be more fun if you've read that first, but it can certainly stand on its own.

Turning the Tables

Chapter 1 of 1

After months of winning every bet with Lucius, Severus finally loses one. What are the consequences? This story is a sequel to my story *Losing the Bet* and might be more fun if you've read that first, but it can certainly stand on its own.
