Albus Got Run Over By A Reindeer

Albus got run over by a reindeer

Walking from his office Christmas Eve

You may say there's no such thing as Santa

But as for the Golden Trio, they believe

He had eaten too much candy

And Minerva begged him not to go

But he'd run out of sherbet lemons

So he wandered out the door into the snow

When they found him Christmas morning

At the scene of the attack

There were hoof prints on his forehead

And incriminating Claus marks on his back

Albus got run over by a reindeer  
Walking from his office Christmas Eve  
You may say there's no such thing as Santa  
But as for the Golden Trio, they believe  
Now we're all so proud of Harry  
He's been taking it so well  
See him out there playing Quidditch  
Then playing chess with Ron who's saying bloody hell  
It's not Christmas without Albus  
All the house-elves're dressed in black  
And we just can't help but wonder  
Should we open up his gifts or send them back?  
Albus got run over by a reindeer  
Walking from his office Christmas Eve  
You may say there's no such thing as Santa  
But as for the Golden Trio, they believe  
Now the goose is on the table  
Partly thanks to Mrs. Figg  
And is that our Hermione  
Who just grabbed Snape's potion and took a swig?  
I've warned all the folks of Hogsmeade  
Better watch out for themselves  
They should never give a license  
To a man who drives a sleigh and plays with elves!  
Albus got run over by a reindeer  
Walking from his office Christmas Eve  
You may say there's no such thing as Santa
