"I would like to tell you..."

Je voudrais...

Chapter 1 of 1

"I would like to tell you..."

I would like to tell you of my respect for you, for everything that you know and everything that you've done.

I would like to tell you how much I honour you, for accepting the past and making the future different.

I would like to tell you how important you are, not only to the wizarding world... but also to me.

I would like to tell you of my dreams for you... and with you.

I would like to tell you you're never alone.

I would like to tell you I love you.

But you never ask the right questions.
