Chapter 1 of 1

A reflection of one character after the final battle.

So much death and destruction.

So much pain.

So much despair.

Can we rebuild?

Can Hogwarts ever come back to its former glory?

The sounds of pain are everywhere.

Students wailing in pain.

People crying over their loved ones' deaths.

Blood and scorch marks are everywhere.

We can rebuild Hogwarts.

But shattered walls are much easier to build than shattered lives.

We have won.

But at what cost?

Prompt from Lyn_F- Write Filch's thoughts as he sweeps up the rubble from the battle.
