You're Snarky

Chapter 1 of 1

A poem written by Hermione to Severus.

You're snarky and you're mean
Your favorite color is green.
You glare when you pass,
Most of the time you act like like an ass.
But I love you
When no one else does,
Because there is something about you
But I can't seem to remember what it was...
Was it the bat-like figure?
Or the greasy black hair?
Whatever it was,
I don't really care.
Because you are mine, Severus,
No one can take you away!
Not even when the world
Begins to decay.
Now, Severus,

Your hair begins to gray.

Will this act of yours

Ever go away?

I love you, dear Severus

Remember that when

We are old and fragile

And I outlive you by ten!
