Darkness Within

Chapter 1 of 1

In the moonless night,
I call for thee.
Behind the stars,
And beyond the sea.
I call for thee,
In the mist of clouds.
Where faces go,
To meet their Faust.
In the mist of clouds,
I call for thee.
Where ever you are,
Return to me.
I call for thee,
In the moonless night.
I need you here,
To return the light.
