A (porn) star is born...

## One-Shot

*Chapter 1 of 1*

A (porn) star is born...

Author's Note: It's been awhile since I've posted anything, and this is not quite my usual thing. The prompt that inspired this random bit of cheesiness can be found at the end of the story.

Disclaimer: It's all Jo's, not mine. Obviously. If it was, Fred and Snape would still be alive. Which is why this story is AU, because in my little corner of the HP world, they are.

"Bit of an aeroplane blonde, mate," whispered an awestruck Harry, "but she's something else, yeah?"

Draco tore his wide eyes away from the voluptuous blonde porn vixen currently writhing in a speechless Greg Goyle's lap and frowned.

"Aeroplane blonde?"

His former Head of House snorted softly as he glanced up from where he had been conversing with Viktor Krum. Snape and Viktor had both tersely rebuffed Candy Floss's offer of a lap dance, clearly very uncomfortable with the venue chosen for their bi-monthly bloke's night out.

"Muggle-ism, sorry." Harry hastened to explain. "A potion blonde with a black box below."

"Er... sorry?"

Draco critically eyed the performer up and down as she sidled over to Fred and George Weasley, whose faces had suddenly gone from bright pink to a rather alarming shade of magenta.

"Never mind, I see."

"And now, my darlings, I have something very special I'd like to share with you!"

"What hasn't she shared..." Fred muttered.

George added, "... and who hasn't she offered to share it with?"

"Hem! Hem!"

Harry whirled, face grim and wand drawn at the blonde witch who just blinked stupidly back at him.

"If I could have everyone's attention? As I was saying, I just finished shooting my very first film for Wicked Wands Entertainment with their biggest star, the King of Wizarding Porn, the amazing Ron Billyclub! So tonight I have a real treat for everyone, a special preview of 'Ginger of the Jungle!'"

The lights dimmed, and Candy swished her wand at the screen.

"Aaaaand... ACTION!"

Drums beat an insistent throbbing tattoo accompanied by the raucous screams and chatters of monkeys. Then the screen was filled with the image of a scantily-clad Candy swinging through the trees, her enormous tanned breasts bouncing wildly in the tiny scrap of leather that covered them. Seconds later, she landed with the grace of a jungle cat onto a sturdy tree limb overlooking a gurgling river.

Gazing down, the blonde stared hungrily at the amazingly tight buttocks of the ginger male emerging from the bushes below. The man walked to the water, stripped off his loincloth and took himself in hand before tilting his head back to stare challengingly at the blonde spying on his very personal ministrations.

Spluttering gasps filled the room as several wizards simultaneously spewed out whatever they were drinking.

"MERLIN'S SAGGY BOLLOCKS!"

"BLOODY HELL... MY EYES!"

"PLEASE TELL ME THAT'S NOT..."

The jungle drums pulsed even more insistently before the blonde leaped down to land lightly in the arms of the object of her desire.

"OOOOOOOOOH, TAKE ME, RONNIE, MY HOT JUNGLE LOVE GOD!!!"

A hoarse, strangled yell from the back of the club brought the stunned wizards to their feet, wands in hand, only to find a whey-faced Ronald Weasley staring back at them like a owl blinded by Lumos.

Everyone froze until rhythmic grunts of animalistic pleasure began filling the room.

Face flaming in humiliation, Ron promptly turned tail and fled.

Prompt by KyriaOfDelphi: The wizarding world reels when porn star Ron Bilius turns out to be Ron Weasley. I hope she doesn't mind that I altered Ron's stage name slightly. :)
