Lost

Chapter 1 of 1

A little original poetry of mine. It's a bit sad.

My tears have clouded my vision...

I do not see the stars in the sky...

I cannot hear the music of the wind...

I do not want to be lost...

My love is gone...

I do not want lust...

I cannot feel the love in your arms...

I do not want to leave this way...

I cannot stay here...

Your touch is empty.

Your eyes are full of hate.

Your words are hollow.

I love you, but receive no love.

I want you, but cannot have you.

I close my eyes; I dream of dreams too far for my reaching...

I wish of wishes that are not mine for the taking...

And I pray that the dawn will not come tomorrow.

Now I see my prayers are in vain as I watch the sun rise.
