"Ten, nine, eight..."

Voices began the countdown, but Harry paid them no attention. He only had eyes for Draco.

He wrapped his arms around his boyfriend. "Can you believe it?" he whispered in Draco's ear. "Just last year you gave me our first kiss."

Draco nodded. "It's been a crazy year."

"A good one, though," Harry retorted, tightening his grip. "I wouldn't change it for anything."

"Me either," Draco said firmly. He stared into Harry's green eyes.

"Three, two, one..."

"Happy new year," Draco said, crashing his lips into Harry's. Harry returned the kiss with equal vigor, savoring every sensation.
