No profit is being made from the use of these characters and situations; these written-down imaginings are only presented in an internet forum for the interest of and consumption by like-minded individuals who enjoy them and recognize them as unauthorized fanfiction only, and are not in any way meant to be confused with the originals nor presented as authorized materials of these owners.

(Author's note: this drabble is exactly one hundred words long if you count in the title and end, but not the disclaimer above or this note. I wanted to see if I could write one that short and I did - Yay!)

Damn it, Potter!

By Alison Venugoban

Their teeth clashed together painfully.

"Ow! Damn it, Potter!"

"Okay, let's just try that one again... Merlin, that nose of yours really gets in the bloody way!"

"Well, I didn't ask you to kiss me. If you don't like it, go elsewhere."

"It's not like I've got any choice in the matter – I'd just as soon be snogging Ginny!"

"I'd rather you did."

"Oh, stop your whining! J.K.R.'s finally given in to all the fangirls and 'shippers out there and made 'Snarry' canon. So shut up and kiss me, you Greasy Git!"

The End.
