Chapter 1 of 1

Harry gloats over his defeat of the Dark Lord.

Sung by Harry to the tune of 'Lollipop'.

Voldemort, Voldemort, ooh, voldy, voldy voldy,

Voldemort, Voldemort, ooh, voldy, voldy voldy,

Voldemort, Voldemort, ooh, voldy, voldy voldy,

Voldemort!

Voldemort's my nemesis, tell you why,

Sybill the future in her glass did spy,

My mum and dad, the Prewetts, Emmie Vance,

Man, they hadn't got a chance.

They called him Voldemort, Voldemort, ooh, voldy, voldy voldy....

All his followers would make you sick,

Masters of the Dark Arts and crime.

If you had a chance you'd kill them quick,

But Voldemort is mi...i...i...ine.

Voldemort, Voldemort, ooh, voldy, voldy voldy....

Crazy way I kills-a him,

Tell you why,

'Cos of his Horcruxes he cannot die,

But when I use the spell that Snape had said,

Gee, my nemesis is dead.

I call him Voldemort, Voldemort, ooh, mouldy, mouldy, mouldy Voldemort. A-Mouldymort!
