Her Favourite Customer

Hermione smiled when she saw her favourite customer enter her small bakery. Blushing, she told her employee that she would wait on him today. After so many glances and brief moments of flirting, Hermione was determined to get a date with her old Potion's professor.

"Good afternoon, Severus," she greeted him.

"Hermione."

"What's the soup of the day?" He asked as he always did.

"Chicken noodle," Hermione answered.

Severus smirked. "I make quite an amazing chicken noodle soup. You should try it some time."

"I'd love to."

"Good, I'll pick you up at seven."

Hermione nodded, too excited to speak.
