Chapter 1 of 1

That which I cannot live without: coffee. Written for the Wednesday Poetry Challenge on Doomspark's LJ.

COFFEE

sweet amber liquid
lighting the fire in my veins
brewing consciousness
without it i die
thoughts retreat into the mist
slumber o'ertakes me
it slides down my throat
bringing my mind in focus
sleep is forgotten
i cry at the loss
why have you forsaken me
and crumble to dust
my back shan't be turned
from its milky bitterness
i'll never be free
