

Ashes to Ashes

by Devin Aiden Teague

My favorite line to use... "ashes to ashes, dust to dust"... I have quite a few poems that employ that particular saying.

Ashes

Chapter 1 of 1

My favorite line to use... "ashes to ashes, dust to dust"... I have quite a few poems that employ that particular saying.

Ashes to ashes
Dust to dust
Frozen lashes
Betrayed of lust
Traitor of sin
Broken lies
Fallacy of men
Dead eyes
Horrible mistakes
Faking trust
Truth flakes
Silver rust
Burnt souls
Lost hearts
Left goals
Ripped parts
Already seen this

Already been and gone

Crossed moment of bliss

Ashes of an old song
