# Without You

*Chapter 1 of 1*

Sometimes you ask questions, even when you know the answer...

Why me

Why do I have

To put up

With it?

Why me

Why do I have

To listen

To it?

Why me

Why am I

Always

Involved?

Am I a

Target for

Sorry

Heartless souls?

Words mean nothing

Nothing means

Nothing

To me

I'm lost in

A void

Escape

Is impossible

Why cant it just

Go away?

Stop taunting

Me

Stop following

Me

Stop it!

Stop it!

Leave me

Be

Leave me

Here

Without you.
