Oblivion

Chapter 1 of 1

I'm lost...

I open my eyes
To see nothing but darkness
I tried to hide
But I could still feel the creeping emptiness
I feel my eyes turn crimson
As I run to nowhere
Burning sensations.
Will my soul be spared?
I am swallowed by inexistence
Slowly gaining unconsciousness
Lingering in wretchedness
Embracing unto death's roots
Held by insanity
Devoured by desolation
Saturate my spirit.
Before I am lost into oblivion
