What Did I See...

Chapter 1 of 1

What was thought and was wrong...

All alone in the dark,
Never after,
Nothing to come,
Nothing to be,
What do you see in me.
You stand so tall,
Head held high,
A future,
A life,
What do you see in me.
I was wrong,
You made me feel that,
You did that to me,
I gave in,
You won.
Your alone now,
A never after,

Nothing to come,

Nothing to be,

What did I see in you.

I stand tall,

Head held high,

A future,

A life,

What did I see in you.
