Polka Dot Speedos

Chapter 1 of 1

Hermione and Snape go to the beach...

"Come on, Severus!"

"No," was the firm reply.

"Oh, for Merlin's sake! It's only a bit of sand and water!"

"So?"

"So! So nothing bad is going to happen to you!"

"I sincerely doubt that when Potter is around."

"Oh, for goodness sake, Severus! You're being paranoid!"

"I am not!"

"You damn well are, and you know it!"

"No, I'm damn well not, and you know it!" he retorted.

"If you don't come out right this instant, then I'll break the door down!"

"Are you sure about your choice of words?"

"What? Oh... Severus!!"

"Yes?" was the innocent reply

"Stop changing the subject!" No answer. "That's it. *Alohomora!*" She opened the door to find Severus standing in green and silver Speedos.

The pair stood there, looking at each other, speechless as they took in what the other was wearing. She held out her hand, he took it, and they sat at the water's edge, enjoying each other's company. Then Ron sped past in front on jet skis, being towed by Harry on his broom. As he sped past, Harry cast a spell.

Then Ron called out, "Love your Speedos, Snape!" at which the pair looked at his attire, only to find that instead of wearing green and silver Speedos, he was now wearing

a red and gold polka dot pair.

“POTTER!!!!!!”
